PROFESSIONAL EXPERIENCE

MADE Designs

March 2024 - Present

Co-founder/Designer

- Established a design agency focused on actualizing branding concepts.
- Collaborated with clients spanning various industries and demographics to develop customized branding solutions and visual elements.
- Oversaw the organization's social media channels, crafting unified posts, reels, and stories to enhance client interaction.

Aatmica

Feb 2024 - Present

Product/Graphic Designer

- Created a captivating logo and a comprehensive brand package that embodies the brand's dedication to crafting innovative products that attract and retain a loyal customer base.
- Devised concepts and designs for cohesive Instagram stories to enrich customer interaction.
- Orchestrated brand collaborations and contributed to weekly meetings to propose strategies for enhancing business expansion.

Maria Antokas Publishing

Dec 2023 - Present

Illustrator/Designer

- Collaborated with authors and publishers to develop concepts and produce illustrations for upcoming children's books slated for publication.
- Applied graphic design principles to determine the optimal layout for the books.
- Engaged in typography work and crafted a bespoke font specifically tailored for inclusion in the finalized publications.

Genies

May 2023 - December 2023

3D Asset Creator

- Conducted research on contemporary trends to craft distinctive fashion pieces for the forthcoming application redesign.
- Developed assets in Maya, Substance Painter, and Unity in accordance with technical specifications.
- Maintained consistent communication with supervisors to obtain final feedback and facilitate file transfers.
